# The Laggan Leader

**Providing First Class Education in an Exceptional Learning Environment**

## ***From the Principal***

The Easter Egg Hunt and activities were held with the playgroup attached to Laggan Public School before the long weekend. We listened to an Easter story about Max and Ruby on the interactive whiteboard. This seemed amazing to our visitors who thought it was a movie screen. We popped on some bunny ears and a tail before hopping and bopping to the Bunny Pokey. Our year 6 leaders organised a successful Easter egg hunt and all students wrote a narrative about Easter prior to the day. Their job was to write for a target audience being 2 years of age. They read the stories to the playgroup children and received instant feedback. Now the books are being read many times in the playgroup room.

Our trip to watch JUNK in Canberra was again kindly assisted by our P&C who also paid for our lunch. The performance was spectacular and demonstrated how children from the past would fill in their days. This led perfectly into our 150th Anniversary. We learnt about students and the schools' past during class time. Fishing and swimming in the creek sounds great even now to our students. The consequences for the students seemed extreme and unfair to our students though.

The open school day and dinner for our 150th Anniversary was very successful and warm. Our visitors had lots to talk about and catch up on. Thank you to Paul, Ingrid and Isabelle Mills for your amazing scones and organisation. Our wonderful former P&C Members Beatrice Williams and Helen Smith also assisted the Mill's family in the kitchen. John Howard, Chris Tetley and Liam King truly made the grounds picturesque for the day. That was a huge job which did not go unnoticed by our visitors. And to Sharon King who worked above and beyond to make sure that the anniversary was SPECTACULAR. Thank you!

Next term Sharon King will be replaced by Vicki Wright and Margret Searl in the office. Sharon is relieving at Crookwell Public to gain more experience which she can then bring back to Laggan in term 3.

So as the term nears the end, I would like to acknowledge the staff who work tirelessly to make Laggan Public an enjoyable learning and working environment. Thank you for making my teaching block as Relieving Principal a pleasurable experience.

A special message for the students is to always remember that YOU ARE AMAZING! Thank you for including me in your fitness sessions, the stories told and the laughs on top of all our learning. Take care during the holidays.

Relieving Principal

We have definitely been very busy in the last 2 weeks of term. The **Athletics Carnival** was a very successful day and so much fun. Thankfully the weather was great!!! We entertained our friends from the pre-school on site for **EASTER**. We had bunny ears and bunny tails, music, dancing, singing and stories. So much fun was had by staff and children.

## 150th Anniversary Celebrations

We had so many **visitors** from near and far on Saturday who had a wonderful time **reminiscing** about their time at Laggan Public School. They had wonderful **stories** to share of their time here. Everyone enjoyed looking through old photo albums to remember some of the **great** excursions and opportunities given to them by a close knit **country** school. Thank-you to everyone who came to visit us. We thoroughly enjoyed **meeting** you.
